

DONVALE FOOTBALL CLUB

Seeking Coach

Women's Football (Open Age)

Due to the enormous popularity of our Under 16 Girls program in 2016, Donvale is increasing its participation in girls football even further with as many as three additional teams in 2017. We aim to have an Open Age Women's team by 2018 at the latest. We are seeking a coach to lead the recruitment of players, assist the coaches of the girls teams to establish a strong talent pathway and to become the coach of our first Women's team by 2018 (or 2017 depending on speed of recruitment). We are interested to hear from coaches of both gender.
