SENIOR COACHING POSITION 2018

We are strong community based football club that caters for both male & female teams from U9s through to Seniors - youth girls, senior women and O45's.

Our seniors currently compete in the EFL 3rd Division competition.

We are seeking a Playing or Non Playing coach with extremely high standards that shows strong leadership, and has a high emphasis on fitness
And development skills, must also have a strong desire to develop young men.
These attributes are a must and are extremely important for this leadership role.

Consideration will be only given to the right applicant that shows high communication skills, at all times be highly professional with a strong emphasis on developing the Chirnside Park Football Club from Senior's through to junior level.

The coach we seek must at all times be a strong supporter of our Development and U19's coaches to ensure a full list management being your number one priority.
You will also be expected to work within a strong football club administration.

Previous senior coaching experience at a high level is an absolute paramount when applying for this position.

Applications of interest of this position in writing with an attached CV are to be directed to:

Football Operations Manager: Marcus Walker
