If both teams have full sides, an 18 a side game shall be played.

4.2 Where one team has between 14 and 18 players and the second team has more players than the first team, both teams shall field the same number of players, therefore an equal number of players shall take the field. Exceptions to this rule apply in certain circumstances – refer to 4.6.

4.3 If a team begins with less than 14 players the match will be forfeited, however a match must still occur

as a scratch match.

- 4.4 If during a match, a team's playing numbers drop to below 14 players a forfeit will occur and the match must continue with an equal number of players on the field for both sides.
- 4.5 If players are not offered to the team with less than 18 players, then playing numbers must be reduced so that both teams field the same number of players. If players are offered, but not accepted, then the team with the greater number of players is not required to reduce playing numbers, i.e. the evening up rule does not apply.
- 4.6 If players are not offered, the team refusing to offer players will have their interchange bench capped at 3 players. The players on the field and the 3 interchange are the only players permitted to participate in the match.
- 4.7 Team Managers, particularly from the Team that requires the evening-up rule to apply, must ensure that the process is organized as early as possible and prior to the teams taking the field.
- 4.8 Late Arrivals - Should a player arrive late, that player may take the field at any time provided the following procedure is adhered to:
 - a) The Team Manager shall inform the Officials of the other Team.

 - Should a player be removed from the field due to injury or illness and the team has no interchange players, as soon as practicable but no later than at the next quarter break teams should even the playing numbers. In this circumstance a player should be offered to the opposition to top up, if the team has players on the interchange or a player can be removed and guideline 4.6 does not apply.
- 4.10 Daily loan of players - When players are loaned, the Team Manager of both teams shall note on the Team Sheet the number of players loaned. Players may be loaned on a quarter by quarter rotating \ basis or for the whole match as appropriate.
- 4.11 Any dispute regarding this rule will be referred to ERWFL who will determine penalties, if any, to be applied. Penalties may include loss of premiership points and/or score by the offending team and/or the Club of the offending team shall be penalized as ERWFL deems fit.
